PROJECTS

Atlas - Full-Stack Spatial Navigation Platform

Mar 2026

- **Stack:** React, Node.js, PostgreSQL, Dijkstra's Algorithm | [GitHub Repository: github.com/LakshitNirwan/Atlas](https://github.com/LakshitNirwan/Atlas)
- Engineered a full-stack spatial navigation platform implementing Dijkstra's Algorithm to compute optimal multi-floor and inter-building routes across a campus graph with 1,000+ mapped nodes, reducing route computation complexity and improving navigation efficiency by ~60%.
- Built an SVG-based interactive map interface with smooth 60 FPS pan/zoom interactions, dynamic cross-floor route visualisation, reducing route rendering latency by ~40% for real-time event navigation.

CreativityClub Website- Browser-Based Interactive Website

Jan 2026

- **Stack:** React, Tailwind CSS, Framer Motion, Three.js, Vercel | [GitHub Repository: github.com/LakshitNirwan/cc-website](https://github.com/LakshitNirwan/cc-website)
- Led a 3-member team to build and deploy the official Creativity Club website as Project Head and Lead Frontend Developer.
- Developed a responsive platform with dynamic event showcases, member profiles, galleries, contact forms, and registration systems.
- Enhanced user engagement through interactive animations using Framer Motion and Three.js, and deployed the application on Vercel.

ACTIVITIES

VinnovateIT Club, VIT - Part of the Technical Team

- Collaborated with cross-functional student teams during technical workshops, product development activities, and the 'Build-Block-Brake' blockchain hackathon, strengthening problem-solving, teamwork, and communication skills.
- Assisted in coordinating a 36-hour overnight hackathon by supporting event logistics, participant management, and team operations in a fast-paced collaborative environment.

Creativity Club, VIT - Events Head

- Led and mentored a team of 100+ club members to successfully execute 20+ college-wide events with 1,000+ attendees, demonstrating leadership, team management, and organizational skills. Managed logistics, sponsorship coordination under strict deadlines.

ACHIEVEMENTS & CERTIFICATIONS

The Complete Full-Stack Web Development Bootcamp | Udemy | March 2026 | [View Certificate](#)
